

THE WEEK IN SOCIETY

Mr. and Mrs. Sanborn expect to start for a short trip East about the 23d of this month.

Miss Elsie Elmore will soon start East, for a year at Miss Somer's school in Washington, D. C.

Mrs. James Fox and daughter, Laura, have returned from a six weeks' sojourn at the coast.

Bishop Earl Cranston has been a guest at the home of Mr. Samuel Elmore for the past week.

Mr. Frank Sanborn and Mr. Fred Warren started last evening for Cornell and Princeton Universities, respectively.

Dr. O. A. Thornton, of Portland, is spending a few days in the city before starting in his year at the medical college.

Probably the social event of the season will be the outcome of invitations sent out by Mrs. Frank Parker on Wednesday next.

Miss Floretta Elmore and Miss Elsie spent Tuesday and Wednesday of the past week in Portland, the guests of Mrs. E. D. McKee.

Mr. and Mrs. Robert Wilson and son, John Marcy, with Mrs. Wilson's sister, Miss Marcy, spent a few days of this week in Portland. They will soon leave for an extended visit East.

Rumor has it that four of our most popular young ladies are contemplating leaving Astoria this winter. This is truly sad for our attractive young people to leave us; but we hope it does not mean a permanent removal.

The ladies of the W. C. T. U. were entertained on Thursday afternoon from 2 o'clock until 5 at the home of Mrs. J. A. Rannella, corner of Eighth and Duane streets.

RUSSIA IS JEALOUS.

LONDON, Sept. 13.—In a dispatch from Odessa, the correspondent of the Standard says the German Bagdad railroad scheme appears to haunt the Russian press like a specter.

The Novosti, goes on the correspondent, referring to the report that J. P. Morgan has taken, or is about to take, considerable interest in the new railroad, observes that although Americans, Frenchmen and Englishmen will be large shareholders, the enterprise will remain essentially German.

The Novoe Vremya, the correspondent also cables, strongly advocates a strenuous policy to offset British and German activity in Persia, saying that to wait until the Selistan and Bagdad line is completed, would be nothing less than suicidal on the part of Russia.

"It is through Persia only," says the Novo Vyema, "that Russia can outflank the Germans in Beluchistan and India.

LOGGING ACCIDENT.

EVERETT, Sept. 12.—Harry Martin, a rancher from Coeur d'Alene, Idaho, was murdered and robbed in Monroe last night. Tom Perrin and J. Mitchell are accused of the murder. Martin was known to have a large sum of money when he was last seen alive.

Everybody is anxiously awaiting the announcement of the date for Miss Cole's and Mr. Findlay's wedding. This promises to be one of the most popular and handsome weddings of the year. Speaking of weddings, the society editor hopes soon to be able to announce an engagement of one of our most popular young people. Query: Is it a member of the Thursday Club or a member of the Irving Club?

The young ladies and gentlemen of the Christian Endeavor Society, of the Presbyterian church enjoyed a most delightful walk-out party last Thursday evening. The young people left the heart of the city at 5 o'clock and took the road over the hill toward Youngs bay. The spot known as the bathing grounds was visited and a pleasant and profitable time was had by all present. Rev. and Mrs. Marcotte chaperoned the affair.

Miss Bennett's delightful house party has disbanded and the members have gone to their respective homes, after spending a most enjoyable week at the coast. Miss Bennett make a most ideal hostess and those who were the recipients of her hospitality cannot say enough about the good time they had. Those who are indebted to Miss Bennett are: Mrs. Horace D. Thing, Mrs. Dayton, the Misses Cole, Craig, Heilborn, Elmore, Tallant, Fox, Gilbert and York, Messrs. Thornton, D. Lewis, McLean, Greenough, Paget, Bell and Captain Reynolds. Unfortunately some of the men were obliged to return to town before the week was over.

UP GOES COAL.

CHICAGO, Sept. 13.—The price of soft coal in Chicago has risen to \$9 a ton, as compared with \$7.75 on September 1. Anthracite is practically unobtainable and is quoted by some dealers as high as \$25 per ton.

The sudden advance in prices is attributed to the demand caused by the cold weather, which while not severe, has aroused householders to a realization that their bins are empty.

AGITATOR REDMOND TALKS.

WATERFORD, Ireland, Sept. 13.—In acknowledging the freedom of the City of Waterford, John Redmond said the Agrarian question, the last real obstacle to home rule, was near a settlement. The ranks of the Irish landlords were in revolt against the few wealthy political landlords who had long led them to ruin. The Crimes Act proclamation justified a resistance, even armed rebellion.

A POWERFUL SEARCHLIGHT.

The latest invention is that of a signal light which is claimed will penetrate the heaviest fog for a distance of half a mile. It is a success many accidents on both land and sea can be averted. Much interest is being manifested in the discovery, the same as in any other invention that is intended to save life. This is the reason so many people have been interested in Hostetter's Stomach Bitters during the past 50 years. It is recognized as the best health maker and blood purifier in existence, and with good health and blood disease cannot find a foothold. It is therefore specially adapted to persons in ill-health and who suffer from heartburn, indigestion, dyspepsia, constipation, or malaria, fever and ague. Try it.
